

Spring Bank Community Association

Meeting Minutes

April 19, 2016

7:30 PM

Groveton Baptist Church, East Hall

Next meeting:

Tuesday, May 17, 2016, 7:30 PM, Groveton Baptist Church

I. Opening –Vice President Bill Brinley

7:33

- Welcome

II. Fairfax County Community Emergency Response Team (CERT)

7:34 - CERT is an organization in which community volunteers receive free training to assist first responders in the event of an emergency. They are training to assist with

- Light search and rescue
- Light fire suppression
- First aid/triage

For more information or to request training, please go to <http://www.fairfaxcountycert.org/>

III. Minutes/Treasurer's report

- 7:59 – March minutes approved
- 8:00 – Treasurer's report – Current balance \$1648.97, with add'l dues to be deposited and payment for newsletter.

IV. Kings Crossing development - Brinley

- Development committee met with Supervisor Storck regarding previous discussion with the previous Supervisor regarding impact fees from development stays local. Storck agreed.
- Martin Tillet reported on a meeting between developers (Novis) and County staff regarding plan. County officials brought up some issues to be addressed. One that stood out was the EMBARK (BUS/Metro and other Rt 1 development) requesting drive be constructed to road specifications in case they want to request another exit from the Walmart parking lot.
- Embark meeting – April 25. <http://www.fairfaxcounty.gov/dpz/embarkrichmondhwy/>

V. Community Yard Sale Report – Apr 9

- 8:25 – 12+ houses participated. It appeared well attended. Online and other notices appeared to work in getting the word out.

VI. Committees and other items – 8:26

- The book club is starting a new book – watch the google group.
- Supper club is planning outing at El Paso – Mon. April 25

- School budget is passed, tax is lower than the maximum rate. Shortfalls between budget and funds may be covered by:
 - May possibly get more money from VA
 - Some Fairfax County funds may be redirected.
 - Carry-over from previous year.
- A new streetlight was installed on Oak that appears to be LED.
- Deer on Oak near Beacon Hill was cleaned up.
 - Residents noted that reporting issues to VDOT online worked well and also resulted in follow-up messages.
- Those in attendance appreciated the presentation from CERT, and would like more presentations at future meetings.

VII. End of meeting – 8:31 PM
